Budget Better with our AMP Plan

Do you have a budget for your monthly bills? Did you know we offer a budget-friendly Average Monthly Payment Plan for your utility bill? The City of Luverne's AMP Plan is designed to average your monthly payments and level out those unusually high bills that occur during months of high usage.

- ◆ Each monthly bill will be the average of the previous 12 months bills.
- ◆ This will be a "rolling average" so, bills will vary slightly month to month, but in most cases no more than 10%.
- ◆ Your bill will still show the exact usage for each month.

Requirements to participate in the AMP Plan:

1. Minimum of 12 months bill history at the same service location.
2. Your account must be paid up to date.
3. Your account must be paid by the due date each month to continue enrollment in the plan.

If you are interested in enrolling in the AMP Plan, please complete the enrollment form at www.cityofluverne.org/application or contact City Offices at (507) 449-2388.
